## PASIÓN CUVÉE ROSE BRUT ORGANIC

### GRAPE VARIETIES

Pinot Noir 85% - Garnacha 15%

### VINEYARD AND TERROIR

Location: El Martes and Los Frailes

Altitude: 690 meters.

Climate: Mediterranean with continental influence, with warm summers, cold winters and big thermal differences between day and night, which creates a particular microclimate.

Both the vegetative growth of the vine and the ripening of the grapes take place in summer, and happen together with the period of lowest rainfalls, an essential factor to obtain the excellent healthy conditions of our raw material.

Soils: Clay and sandy soils

Age of the vines: 5 years.

Growing system: Trellis

### VINE-GROWING

The grapes for this vegan and organic cava are sourced from vineyards grown under the organic growing criteria in a balanced, caring and sustainable way. The vineyards' soils carry great importance, being very active with good biological conditions which favour a fast assimilation of reincorporated organic matter. This enables full terroir expression.

### WINE-MAKING

Selection of the best plots that provide us with excellent aromatic and acidity characteristics. The base wines are made separately, but under the same criteria. Grapes are harvested at night and after a light pressing, the free run juice ferments at a controlled temperature of no more than 15°C, to obtain the maximum potential. Then the two base wines are blended and the second fermentation takes place in the bottle with a further ageing of the wine on the lees for a minimum of 9 months

### TASTING NOTES

Pale strawberry colour, clean, with small bubbles forming a slowly evolving string. Aromatic and very fruity, with floral, recurreant and cherry notes accompanied by hints of honey and toast. On the palate it is powerful and intense, a perfect balance between presence and elegance.

### SERVING RECOMMENDATIONS

Excellent with rice, fish, seafood and white meats.

Best served between 6º- 8ºC.
