

SIERRA NORTE

bodega

Vineyards are the origin and the result of our work at Bodega Sierra Norte. We are committed to organic farming and active soils, capable of transferring all their contributions and richness to the grapes.

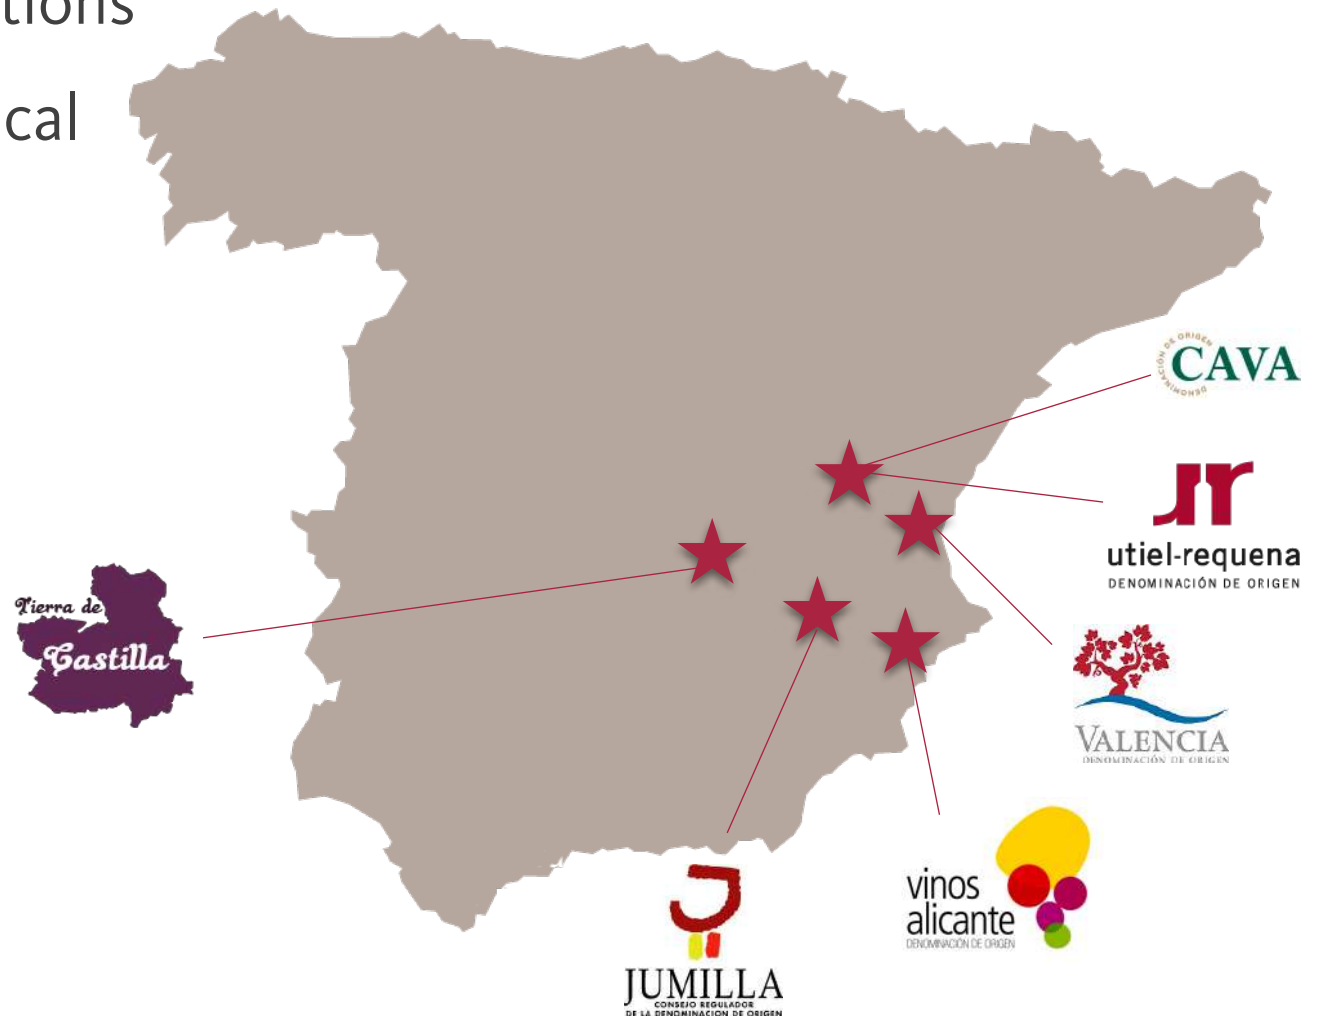

Our engagement with indigenous varieties, such as Bobal, Moscatel, Macabeo and Monastrell, which are cultivated in their areas of origin, helps us to obtain their highest expression.

Our wines cover:

5 Geographical Appellations

1 Protected Geographical Indication

- PDO UTIEL-REQUENA
- PDO VALENCIA
- PDO ALICANTE
- PDO JUMILLA
- DO CAVA
- VDT CASTILLA
